

**From the Society of Saint Vincent de Paul -**

**In these turbulent times in our land, we hear many political slogans bandied about – one of them is:**

**CRY THE BELOVED COUNTRY**

**On April 22<sup>nd</sup> we are launching our Annual Winter Blanket Appeal – and our slogan this year is:**

**WARM THE BELOVED COUNTRY**

**Let us show our fellow residents of this beloved country, that we care for one another - and, in particular, let us show the warmth in our hearts, when it comes to those in need.**

**We are aiming to collect 2000 blankets, which will be distributed to the very poor, to the homeless, to the abused, to the aged and to the very young.**

**Please show the warmth in your hearts and help us to help them.**

**Please donate blankets or put cash in our collection boxes at Mass**
